Send To / Tom O'Farrell

Contact: Triton499@gmail.com. Send skipper and boat name, make and model, sail #, PHRF rating (if you don't have one, one will be assigned), and whether you will use a spinnaker. You will be notified of your start time.

Start: Between the RC flying the PSA Burgee (see burgee image above) and G "1" (Fl G 4s) off of the West River (CBYRA Region 3 mark "Z").

Finish: Between the RC flying the PSA Burgee and Harris Creek Fl R 2.5s 18ft. "2-H". If no RC boat is present, finish by passing Harris Creek Fl R 2.5s 18ft. "2-H" within 4 boat lengths and take your time.

Course: Choptank "G-7" (Fl G 4s Bell) to Choptank "R-10" (Fl R 2.5s Bell). Leave marks to port.

Signals: The "really old fashioned" way of starting: (this changes RRS 26)

CLASS	TIME	SIGNAL	Starting sequence is:
	1050	Attention	Yellow Flag, 3 horns
	1055	Warning	Red Flag, 2 horns

PHRF	1100	Start boat #1	Red Flag down, Horn with each start
------	------	---------------	-------------------------------------

We will try to give each PHRF rating a start signal by radio on Channel 69, but your assigned start time will govern in the event of an omission or error.

Time limit: 5.5 hours to the first mark. The race will be shortened to G-7 if the first boat rounds that mark after 1630.

Awards: Awards will be presented at the raft up in Dun Cove or mailed later. Normally awards are given for 1st-5th place. Singlehanded awards may be given.

Other: VHF Channel 69 will be monitored. Yachts retiring from the race are requested to notify the race committee by hail, VHF or cell phone (call someone!).

Raft-up: After finishing, proceed to Dun Cove for the raft-up. Please remember be ready with your own lines and fenders. If you are an anchor boat, please pick a spot that is well protected and that can accommodate a number of boats. If a South wind, the further West into the Cove the better. Also, if you need to leave early, please tie up on the outside of the raft. Please bring extra food and drinks to share with others.

Results: Will be posted on PSA web site (<http://www.cbpsa.org>) and will be e-mailed.
